

I understand some are wanting to do away with the No Call Program. I would appreciate it very much if the No Call was left like it is. I do not like getting telephone calls all hours of the day and night. I am not in the best of health as I have COPD and these calls are very nerve racking to me. Please, leave it alone. If I want to buy something, I will. I don't need some one calling me and insisting I buy it. Thank you for protecting my privacy. I hope it continues.
